

Autodesk Recognizes IMAGINiT Canada as Americas Reseller of the Year for FY09

Mississauga, ON, March 26, 2009 – RAND Worldwide®, a global leader in providing technology solutions to organizations with engineering design and information technology requirements, announced that its [IMAGINiT Technologies](#) division received top honors this month at the [Autodesk One Team Conference \(OTC\)](#) in Las Vegas, Nevada. IMAGINiT Canada was chosen as Americas Reseller of the Year for FY09, in addition to Top Canadian Reseller in AEC-Civil Product Sales Growth for 2008. [Autodesk Platinum Club](#) members include Autodesk channel partners who have excelled in sales, growth, and other key measures.

"The Platinum Club inductees have performed at a consistently high level, in spite of the economic challenges," said Steve Blum, Autodesk senior vice president of Americas sales. "They continue to deliver world-class service and technical expertise to help customers fully experience their ideas virtually through Autodesk solutions."

"IMAGINiT Canada is honored to be chosen for these awards. It is a demonstration of our strong partnership with Autodesk, and our dedicated commitment to our client's success," said Joe Oswald, vice president of IMAGINiT Canada operations. "Although the award was presented to our Canadian region, our entire North American team shares in this success."

About IMAGINiT Technologies

IMAGINiT Technologies, a RAND Worldwide Company, is a leading provider of design and engineering solutions to the building, manufacturing and infrastructure, media and entertainment industries. With over 40 offices in North America and Asia-Pacific, IMAGINiT is a leading provider of Autodesk software solutions and the largest North American Autodesk Authorized Training Center (ATC) partner. IMAGINiT delivers knowledge, expertise and design processes to clients through proven technical support, training and consulting services. Our locations are supported by a vast pool of engineering resources that are focused on developing real-life business solutions for their local clients.
